

## **CLASS INSTRUCTIONS FOR VALENTINE FRAME**

1. Emboss **1012 Valentine Frame** twice in platinum on ivory linen.
2. Trim one to 4 ¼" x 3 ½" and mount it onto 4 3/8" x 3 5/8" ivory linen and then onto 4 ½" x 3 ¾" red linen.
3. On this piece, shade the background of the rose section and the upper-right section using 990-light sand and a blender pen. Shade the large open heart and two opposite corners on the lower-right section using 815-cherry, 847-crimson, 969-chocolate and a blender pen. Add 1-true red glitter to the red coloured sections and 85-crystal glitter to the two outer hearts on the upper-right section and the leaves on the rose.
4. Cut ivory linen to 10" x 5 ¾" and score it down the center of the long side and fold.
5. Attach red ribbon vertically down the front of the folded card.
6. Attach the mounted Valentine Frame onto the front of the folded card using foam tape.
7. On the second embossed piece, shade the background on the upper-left section and the hearts on the lower-right section using 990-light sand and a blender pen. Cut the coloured hearts out separately and cut the upper-left section out (removing the large heart from the center). Add 85-crystal glitter to the cut-out pieces and attach them in their proper places on the mounted piece using foam tape.
8. Also on the second embossed piece, shade the center heart on the upper-right section and the rose on the lower-left section using 815-cherry, 847-crimson, 969-chocolate and a blender pen. Cut each coloured piece out. Add 1-true red glitter to the coloured pieces. Attach the heart in its proper place on the mounted piece with foam tape and the attach the rose in its proper place using a double layer of foam tape.
9. Lastly on the second embossed piece, add 85-crystal glitter to the loops in the letters and 1-true red glitter to the "o" 's on the "I love you" section and cut this section out. Attach it in its proper place on the mounted piece using a double layer of foam tape.
