

CLASS INSTRUCTIONS FOR TIN CAN

1. Cut two pieces of black linen to 6 1/8" x 10" and score them down the center of the 10" side and fold. Attach them together by gluing one panel of each to the other so that it results in a trifold card that folds like an accordion.

FRONT PANEL

1. Glue 5 5/8" x 4 1/2" rusted text onto 5 7/8" x 4 3/4" gold pearl text and then glue this onto the front panel.
2. Emboss **1015L Tin Can** in black and then emboss **1018N Rose Bunch** in black extending out the top of the tin can and, lastly, emboss **1010G Baby's Breath** in black coming out the sides at the bottom of the tin can (do not worry about masking) onto 3" x 4 1/2" white marl cardstock.
3. Colour the roses, leaves, baby's breath and a shadow under the tin can using various shades of grey. Blend the shadow with a paintbrush and water.
4. Add a touch of 79-black glitter to each rose.
5. Emboss Tin Can again in black on white marl and cut it out. Add some grey shadows on it and blend them with a paintbrush and water. Mount it onto the other white marl piece over the other tin can using foam tape.
6. Mount this onto 3 1/8" x 4 5/8" black linen, then onto 3 1/4" x 4 3/4" gold pearl text and then onto 4 1/4" x 5 3/8" black linen with a hole punched in the center on both the top and bottom with gold string strung through the back so that it comes out and is tied through each hole on the front.
7. Attach this onto the front panel using foam core.

FIRST INSIDE PANEL

1. Stamp tin can in black waterproof ink on 3" x 4 1/2" white marl and then place a mask over it.
2. Stamp **1016J Sunflowers** in black over the tin can so they look as though they are coming out the top. Remove the mask.
3. Colour the sunflowers and leaves in greys and add a touch of black glitter to each sunflower.
4. Add shadow to the tin can as well as a shadow under it and blend with a paintbrush and water.
5. Mount this onto 3 1/8" x 4 5/8" black linen cardstock and then onto 3 3/4" x 5" ionized text that has been stamped randomly with **1023C Feathered Leaf (s)** in black ink. Attach this onto the first inside panel.

SECOND INSIDE PANEL

1. Repeat instructions for first inside panel, replacing sunflowers with **1014K Gerbera Daisy**.

BACK PANEL

1. Emboss **1007K If Flowers** in black at the top of a piece of 3" x 4 1/2" white marl.
2. Mount this onto 3 3/4" x 5" ionized text that has been stamped randomly with the feathered leaf in black ink.
