

CLASS INSTRUCTIONS FOR BIRDHOUSE

1. Score 8 ½" x 6" white cardstock at 4 ¾" along the 8 ½" side and fold it so that short side is the front panel.
2. Emboss **1033K Sunny Leaves** in black along the exposed edge of the inside right panel of the folded card.
3. Colour as shown and blend with a paintbrush and water.
4. Add glitter as shown.
5. Cut around the tip of one leaf near the center with an x-acto knife so that it can overlap onto the front panel and hold it closed.
6. Emboss **1048G Curly Congratulations** in black at the top of the front panel. Add 126-light olive to highlight the letters and add 87-hot kiss glitter to the curls.
7. Attach 1" x 6" black linen onto the back of the front panel so that 1/8" of it shows on the front of the card.
8. Emboss **1034P Birdhouse** twice on white cardstock and trim one 2 7/8" x 4 ½".
9. Air-brush sponge the trimmed piece with blue ink and colour it as shown and then blend with a paintbrush and water. Add glitter only to the swirls as shown.
10. Mount this onto 3" x 4 5/8" black linen and attach it onto the front of the folded card using foam tape.
11. On the untrimmed birdhouse colour everything except the flower stems and grass as shown and blend with a paintbrush and water. Add glitter as shown.
12. Cut the bird, birdhouse, butterflies and flowers out and attach them into their proper places on the front of the folded card using silicone glue.
