Instructions

1. Emboss **1359 - Wave Heart** in gold once on 3 ¾" x 4 ⅛" ice gold, 3 ¾" x 4 ⅛" red linen and 3 ¾" x 4 ⅛" rose.
2. Cut along the outer edge of the ice gold piece, layer it onto the 3 ½" x 3 ⅞" rose and then cut out along the inside of the first frame.
3. Place foam core behind the boarder frame and then onto the 3 ¾" x 4 ⅛" embossed red linen.
4. Cut another red linen to 11" x 5 ½", score and fold down the center of the long side.
5. Randomly stamp **639 - Hearts Galore** in gold pigment on the 4 ⅞" x 4 ⅞" ice gold. Place a strip of red ribbon horizontally across the center and secure behind. Layer that onto 5" x 5" rose then onto the front of the folded card.
6. Place a double layer of foam tape behind the mounted red linen and then place it centered onto the front of the card.
7. Cut out the heart from the remaining ice gold scrap. With a layer of foam tape, place it onto the front of the card over the red linen.
8. Colour 2 of the sections on the center heart of the stamped rose piece using 847 - Crimson. On the other 2 sections, cover in icicle stickles and spread it with a paintbrush. Use stickles again on the small hearts on the outer frame.
9. Lastly, add dots of ruby red pearl to the dots on anything embossed on white, pink to any dots embossed on red and white opal to anything embossed on rose.
