3. Layer this onto 3 3/8” x 4 5/8” – Red Linen and place a 3” x 2” – Olive on each corner.
4. On a 8 ½” x 5 ½” - Red Linen folded card, place a 4 1/8” x 5 3/8” – Ivory Linen that has been edged also in Adirondack Distress ink. With a layer of foam tape, place the mounted image centered onto the front of the folded card.
5. Lastly add icicle glitter to touch on the snowman, Christmas balls and Christmas presents.
