

## CLASS INSTRUCTIONS FOR TOY TRAIN

1. Emboss **653H Toy Train** twice in black on white cardstock.
2. Colour both as shown and blend with a paintbrush and water.
3. Trim one to 3 3/8" x 1 5/8" and mount it onto 3 1/2" x 1 3/4" black cardstock.
4. Cut the engine, smoke and cars out on the second train and attach them to the mounted train using silicone glue.
5. Cut white cardstock to 3 3/4" x 11" and score it down the center of the 11" side and fold.
6. Attach 4 3/4" x 3 1/4" black cardstock onto the front of the folded card.
7. Attach pieces of 1 5/8" x 3 1/8" sea blue, magenta and lime cardstock over the black piece on the front of the folded card at different angles.
8. Attach the mounted train onto the front of the folded card using foam tape.
