

Friendship is the golden thread that ties all hearts together

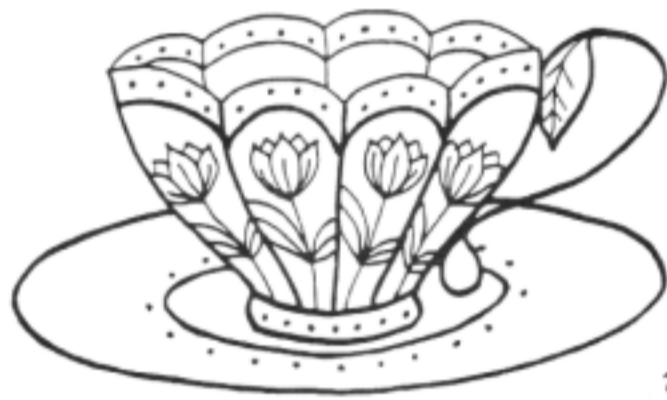

572 K Friendship

We all make new friendships through the years; some last and some fade with time.

But if you're really lucky you find a true friend of the heart...

I was lucky... I found you!

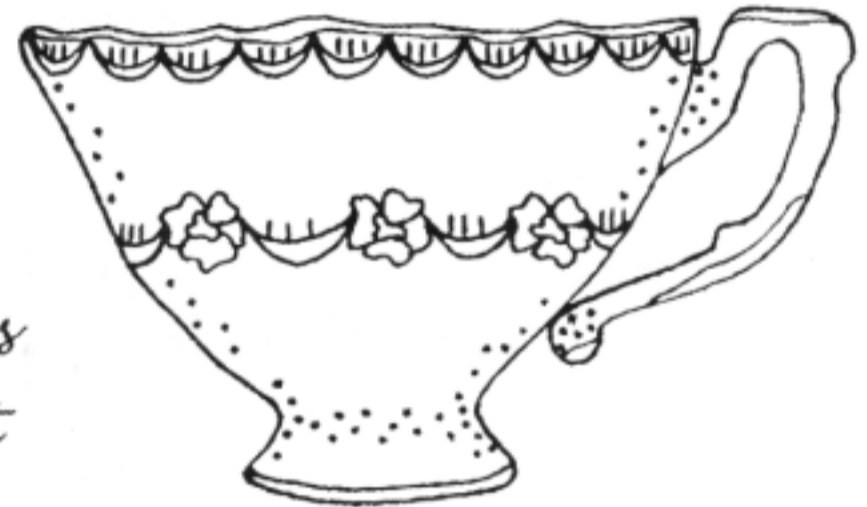

654 M New Friendships

1149 J Tulip Teacup

A cup of kindness warms the heart

647 C A Cup of Kindness

645 L Teacup

When riding through the tide of time and thinking of the past remember that you have a friend who will forever last.

845 L When

It's nice to think of all the happy times That we've shared in the past... But nicer still to know we share A friendship that will last.
